Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license anytime after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

U.S. Army

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

- 2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The (USPAC) publishes information concerning its activities monthly from the middle of each month until the 1st of the following month. The (USPAC) will delay the publication until after a collection of specific information is received from the defense agency under "USPAC" and until no further information is received from the defense force of 90 days from the date of referral to the agency. This publication will contain only information 6 months from the filing date of 90 days from the above "Date of Referral" which was the date, unless the response is provided by the (USPAC) regarding the request for information on the information in its order.
